## Tuition Agreement

B'H

Please read the following very carefully and sign on the bottom to indicate your understanding and acceptance of the terms and conditions stated below.

The Registration Fee is \$200 if received by February 15th, 2012 and \$250 thereafter.

In order to reserve a spot for your child, registration must be paid up front, and in full. Without this fee we cannot hold a spot for your child.

- The Registration Fee applies to every individual application. Each child in a family incurs a separate Registration Fee.
- The Registration Fee is non-refundable, unless your child is not accepted into the school.
- The first month's tuition must be paid in May, by FACTS or by check. If this is not paid, we cannot guarantee the spot - even if the registration fee was paid in full.
- The May payment, which is the first tuition installment, is nonrefundable.
- As of May 2nd we must have a financial plan for tuition payment from every family.
- The options for payments are: (please check one)
  - Tuition paid in full by May 15th, 2012
  - Two bi-yearly payments on FACTS payment plan - May 2012 and December 2012.
  - 10 monthly payments - first payment due May 15th, 2012 remaining 9 payments debited on either 5th or 20th of every month by FACTS starting in August 2012 and ending in April 2013.
- In the case of withdrawal from the school, at any point during the school year, tuition for the remainder of the year is non-refundable, and must be paid in full. Our space in the school is limited, and budgets are based upon enrollment. School costs do not change once they are set - even upon the withdrawal of a student. However, the YISE Nursery Committee will convene to discuss each individual situation and make a final decision.
- Should the school be able to fill the place of a withdrawn student, the family will be notified immediately and the payments for the remaining year will be refunded.
- As per the decision of the YISE Board, the membership dues (prorated) of Full YISE Members (\$900), Associate Members (\$500) or a non-membership fee (\$600) should be up-to-date upon registration. A separate check should be made out for this fee and a membership form, available from the YISE office, should be completed for new members.

I have read all the information above, and am aware that by signing this agreement, I am signing a contract between myself and Young Israel Shomrai Emunah Nursery of Greater Washington. I agree to the above stipulations and will comply with them. In addition I am enclosing a registration check for \$200 if submitted on or before February 15th, 2012, or a check for \$250 if submitted after February 15th, 2012.
